

Brushless Impeller

Lifetime three times longer, lighter and higher efficiency as compared to impellers with DC motors.

Outer diameter: 52 mm

SOBEK part number:
Z-I 0050 0010

FORM

- Weight: 176 g
- Length body: 118 mm
- Material body: CFK, GFK optional

FIT

- Application: Brake cooling, electrics, driver cooling, other critical components
- Installation position arbitrary

FUNCTION

13,5 VDC / 8,7 A / 167 cbm/h
